

Romulo Tejamo, widely known as **Anjo**, has been worshipping at IBC with his family for 16 years. He and his wife, Deanna, have played key roles in our Filipino community, Connection Groups and Children's Ministry, in the areas of teaching, training and mentoring. They have two daughters: Haistleene and Susannah.

Anjo served as IBC's Prayer Ministry Head and is currently one of our Deacons. In his ministry with our Orchard Outreach (2008–2016), he delivered Sunday sermons and taught Sunday School and Baptism Classes. He has, since then, continually helped IBCers strengthen the foundation of their faith by leading Connection Groups, Bible studies and prayer meetings, and speaking to our Youth & Young Adults.

In addition to being an engineer and the current Director of Facilities at the International Community School (ICS), Anjo also holds a Diploma for Biblical Studies from the East Asia School of Theology (EAST).
